

Survey Instructions for Middle and High School Students to Complete the SY 2016-2017 School Quality Survey

Dear Middle or High School Student:

Thank you for taking the time to complete this survey. Your feedback about our public schools is important to us.

Please note your first and last name **OR** 10-digit Student ID is required to complete the School Quality Survey (SQS). We need this information to verify your eligibility as a 7th, 8th, 9th, or 11th grader at a Hawaii Department of Education school to participate in the survey. As soon as eligibility is confirmed, your responses will be linked to a computer-generated identification number (without your name or ID number) for processing and reporting.

We would appreciate your honest responses. This is not a test, and there are no correct or incorrect answers.

Please follow the instructions below to complete the survey (or ask for assistance). Thank you.
