**Aloha Kailua Intermediate School Families!**

~ ~ ~ ~ ~

**Help raise the Cold Water Bottle & Fountain count from 0 to 2!**

**GoFundMe** : <https://www.gofundme.com/water-bottle-refilling-stations>

**\$4,000 Needed to Purchase & Install Two (2) Fountains**

■ Goal ■ 17 Donations \$1040 as of 2/10

MAHALO to the 17 families that have donated! If all our KIS families were able to give a few dollars, PTSA could have them ordered and installed by Spring Break!

**Panda Express - PTSA Cold Water Refill Station Fundraiser 10am – 9pm Wednesday, February 22<sup>nd</sup> @ Hamakua (near Safeway).**

**Order Lunch & Dinner! Must give or show the 2/22 flier.** All students will be given fliers during Action Period on 2/14 and again on 2/21. It will also be posted on the **KIS website** for easy access and emailed separately. Please share the date and the flier! PTSA needs your support to make these cold water fountains happen!

Send Box Tops in to the Library or to the office!

Each one counts towards the new fountains and student programs funded by PTSA!

**What do you think about our school? The School Quality Survey (SQS)** was

handed out to all students last week Tuesday in grades 4, 5, 7, 8, 9 and 11. It is important that parents complete the annual survey and mail it using the free postage paid envelope provided by March 17, 2017. The survey is not returned to the school. All responses will

remain anonymous. The survey provides information on how schools are doing with

respect to school culture, satisfaction, safety and engagement. The feedback gathered is used to support school planning and improvement efforts, and meet

legislative and Board of Education requirements. If you did not get one via your child or have any questions, please contact Vice Principal Ms. Spencer [dspencer@kis.k12.hi.us](mailto:dspencer@kis.k12.hi.us) . More info:
